

See the list of countries and how to move to the top of the list.

Rising to the Top

The list of forty-one countries that participate in the TIMSS international assessments of mathematics and science knowledge of students around the world.

Australia	Greece	Macao (China)	Spain
Austria	Hong Kong, China	Mexico	Sweden
Belgium	Hungary	Netherlands	Switzerland
Brazil	Iceland	New Zealand	Thailand
Canada	Indonesia	Norway	Tunisia
Czech Republic	Ireland	Poland	Turkey
Denmark	Italy	Portugal	United States
Finland	Japan	Russian Federation	Uruguay
France	Latvia	Serbia	
Germany	Liechtenstein	Slovak Republic	
Great Britain	Luxembourg	South Korea	

A list is just a list but ranking indicates placement amongst peers. Countries strive to educate its youth and some countries seem to excel more than others. Read the report to find out what you can do in your classroom, school, district, state, or country to move the dial on student achievement. Concentrate on items **3. Curriculum Development** and **4. Teacher Education and Instructional Materials** in the report to start your climb to the top.
